I just tried to go online to transfer money from the operating account to the debit card account and Wells Fargo webpage is down...probably getting hacked by the Russians!

I'll try again around 4:00. I don't think there is sufficient funds in the debit card account to cover the balance on the Luxe bill. Hold off...they can wait a day.

Bob – wanted to check in on available funding in our account. I need to pay the remaining balance total of \$2,149.16 to LUXE for the annual meeting. I used the CC to charge the 50% down and want to ensure we have sufficient funds before approving the charge.

RE: Luxe City Center Hotel Folio

Let me know. THX for the needed assistance.
